Our Mission

“To Serve and To Share is the Sacred Secret of Success”

Celebrating the Impact of **Compassion and Commitment** in 2023

As we bid farewell to another remarkable year, the Thirupuvanam Foundation extends heartfelt gratitude to our cherished donors. Your unwavering support has been the driving force behind the success of our charitable endeavors throughout 2023. Without your generosity and dedication, the impactful programs we undertook would not have reached the heights of success they achieved.

At the Thirupuvanam Foundation, we hold a steadfast belief that “To Serve and Share is the Sacred Secret of Success.” This principle has guided us in every step of our mission, reminding us of the profound impact we can create when we come together with a shared commitment to make a positive difference in the lives of those in need.

Our conviction in the transformative power of education remains at the core of our endeavors. We firmly believe that education is the key to empowering needy children, offering them not just knowledge but also the tools to shape a brighter future. In 2023, your support enabled us to implement impactful educational initiatives, making a tangible difference in the lives of countless young minds.

As we delve into the details of our accomplishments in this report, we invite you to reflect with pride on the collective impact we have made. Together, we have embodied the spirit of compassion, community, and the shared belief that education is a catalyst for positive change. Thank you for being the pillars of strength that have allowed the Thirupuvanam Foundation to serve and share with purpose, making a lasting impact on the journey toward a more empowered and equitable future.

Provided Transportation

The Government Thirupuvanam Higher Primary School's general infrastructure and accessibility have been improved by the implementation of a laudable endeavour by the foundation. Acknowledging the significance of convenient access to education, the foundation is currently providing students with complimentary transport services. This calculated action demonstrates the dedication to ensuring that every student has the chance to attend class without interference in addition to its goal of reducing mobility barriers. Through the provision of a dependable pick-up and drop-off service, the foundation is making a substantial contribution to the resilience and strength of the school, creating an atmosphere in which education is valued and made more accessible for Thirupuvanam's young students. This programme is evidence of the foundation's commitment to dismantling

Avatat 3D Movie

The organisation organised an unforgettable trip for 20 students to see the movie "Avatar" at Mantri Mall in an effort to give government school pupils a special and meaningful experience. The programme sought to provide these impressionable youths with an immersive and visually spectacular experience by introducing them to the fascinating world of 3D movies. Beyond just being entertaining, this outing was carefully planned to extend their horizons, pique their interest, and stimulate their creative juices. By stepping outside of the box when it came to teaching, the foundation not only made for a fun cinematic experience but also helped these kids in government schools develop a sense of wonder and imagination, which helped them grow and develop holistically.

Provided **Transportation**

Encouraging a healthy and active lifestyle among children, we have consistently advocated for sports participation within our programs. Recognizing the multifaceted benefits of sports, our efforts extend beyond promoting physical fitness to opening doors for potential career opportunities. Recently, on our sports day, we organized a series of engaging games, providing a platform for children to showcase their talents and passion for sports. As a testament to their achievements, we distributed prizes to the winners, fostering a sense of accomplishment and motivation for continued participation. Through these initiatives, we aim not only to promote physical well-being but also to instill valuable life skills and aspirations for a brighter future among the children we serve.

Distributed **free** notebooks, stationaries, school uniform stitching for GTHPS students

In our relentless pursuit of fostering education and empowerment, Thirupuvanam Foundation took significant strides in 2023 by distributing essential educational resources to the students of GTHPS. We embarked on a mission to provide free notebooks, stationery, and even took a step further by facilitating the stitching of school uniforms. This initiative aimed not only to alleviate the financial burden on the students' families but also to ensure that every child at GTHPS had access to the fundamental tools necessary for a conducive learning environment.

Thirupuvanam **Annadanam**

At the heart of our foundation's philanthropic endeavors is the unwavering belief of our Managing Trustee, Mrs. Kausalya Thirupuvanam, who ardently advocates that feeding the less fortunate is among the most impactful forms of charity. In a heartening demonstration of this belief, on both Founder's Day and Mrs. Thirupuvanam's birthday, we undertook a significant initiative to provide sustenance and warmth to those in need. On these special occasions, our foundation orchestrated the feeding of more than 1000 people, extending a compassionate hand to the underprivileged. This act of kindness not only addressed immediate hunger but also embodied the spirit of generosity and community that lies at the core of our foundation's mission. Mrs. Thirupuvanam's steadfast commitment to uplifting the lives of others continues to inspire us in our collective pursuit of meaningful and impactful charity work.

Office Chairs for Teachers

The Head Mistress of Janakiram Layout Government Modern School made a request, and the Thirupuvanam Foundation granted it since they understood how important it was to give teachers a relaxing and supportive work environment. The Head Mistress mentioned that office chairs would improve instructors' workstations in the office space. The foundation kindly and expeditiously supplied the chairs that were asked, guaranteeing that the teachers have the comfort and support they need to complete their administrative duties with efficiency. This programme demonstrates the foundation's dedication to helping the academic community by meeting particular needs that help instructors at Janakiram Layout Government Modern School operate in a productive and happy atmosphere.

Thirupuvanam Foundation Student Scholarship

Thirupuvanam foundation's major donation will distribute for scholarship for needy students. More than 200 students received scholarship for the year 2022-23. Under scholarship program we have introduced Mentor-Mentee Program. In this program Donor will not only contribute donation, but they will also help the students to achieve their dream by giving suggestions and educational guidance

Diwali Celebration

Diwali celebration: Diwali is the festival of light, foundation celebrated with needy children. We took them 20 kids to shopping to choose their new dress, and distributed Diwali snacks, Special Dinner, and Cash (Cash Instead of crackers because it may get hurt and burning crackers is not good for the environment).

Tuition Center

Responding to the earnest requests from parents of students attending Crystal House India Tuition Centre, the Thirupuvanam Foundation took a proactive step in addressing the basic requirements for the learning environment. Understanding the importance of a conducive setting for education, the foundation promptly fulfilled the needs by providing essential items such as fans, mats, and a blackboard for the tuition centre. This initiative not only enhances the physical infrastructure of the learning space but also contributes to creating a more comfortable and effective atmosphere for both students and teachers.

Old Age Home

In a compassionate effort to support the well-being of elderly residents, the Thirupuvanam Foundation extended provisions to both Little Sister Old Age Home and Sai Samrudi Old Age Home. Recognizing the importance of nutrition and care for the elderly, the foundation organized the arrangement of special, wholesome meals for the residents at Goodwill Association. This initiative goes beyond basic sustenance, aiming to enhance the quality of life for the elderly by ensuring they receive nourishing and tailored meals. The Thirupuvanam Foundation remains committed to fostering a sense of care, dignity, and comfort for the elderly in our community, exemplifying the spirit of goodwill and compassion.

School Excursion

Every year foundation will arrange excursion only for GTHPS, but this year we extended our support to other two Government school (Old Byppanahalli and Jeevanhalli School).

Cycle Project

When we went to school survey 2023, Old Byppanahalli Government Higher Primary School H.M told after 7th grade few girls are dropping out school due to transpiration problem. From 8th students must go to High school at Cox Town, Murphy town or Jaibharth area's schools, but there were no bus facilities from their houses because of this transpiration issues few children dropped out. After we came to know the issue our foundation trustee took a decision to give a bicycle of those students. Now all girl students were going to the school.

Thirupuvanam Foundation Student Scholarship

Thirupuvanam foundation's major donation will distribute for scholarship for needy students. More than 200 students received scholarship for the year 2022-23. Under scholarship program we have introduced Mentor-Mentee Program. In this program Donor will not only contribute donation, but they will also help the students to achieve their dream by giving suggestions and educational guidance

Old Age Home

Motivated by its fundamental mission of providing education for the underprivileged, the Thirupuvanam Foundation has made a major action in response to the urgent need for more teachers at Government schools that are experiencing a teacher shortage. The trustees of the foundation have consented to supply instructors to alleviate the shortage in response to the sincere appeal of the head mistresses of the Old Byppanahalli, Jeevanahalli, and Jaibharath Nagar Government Schools. Additionally, a Physical Education (P.T.) teacher has been assigned to each of these three schools in recognition of the value of physical education.

Your continued involvement and support have been instrumental in enabling us to pursue our mission for the past 28 years, and for this, we extend our heartfelt gratitude. As the Thirupuvanam Foundation stands at a galvanizing stage of growth, we assure you that, together, we will achieve even more in our ongoing commitment to enhancing educational opportunities. We sincerely hope that you will once again extend your generosity to support this noble cause, allowing us to make a lasting impact on the lives of students in need.

Thank you for the **Support**

We are so grateful for your kindness in helping us by giving the kids a safe, secure environment to live and develop.
